## Adaptive Picture Exchange 110

The ultimate flexible and scalable dry lab solution

### Maximum productivity. One smart investment.

The KODAK Adaptive Picture Exchange 110 (APEX 110) delivers unprecedented performance, quality and reliability. It's time to shift gears and deliver consumers exactly what they want, when they want it. The APEX 110 combines peak performance with all the exciting, new premium products from Kodak - with a total cost of ownership you need to see to believe. The APEX 110 is the smart way to invest in your future.

#### KODAK Adaptive Picture Exchange (APEX ) benefits include:

- More printing in less space\*
- Low capital investment
- Proven, exciting new premium products from Kodak
- Reduced complexity and operating costs
- Efficiency that's 1-2-3 Easy - One sku delivers two finishes (gloss and new, improved satin) in three sizes (4x6 in., 5x7 in. and 6x8 in.)
- Trusted KODAK Quality prints that are stain resistant, waterproof and will last a lifetime\*\*
- Incredibly easy to use - train your staff in less than an hour
- Produce greener prints with less environmental impact - no processing chemicals, Consumes 70-90% less energy than comparable AgX minilabs\*\*\*

**APEX 110**

**2250**  
Maximum  
Productivity  
4x6 in. prints  
per hour

# Kodak Adaptive Picture Exchange 110

## Meet our new quick-change artist.

The APEX 110 includes our popular APEX 30 cabinet – designed for incredible versatility. As your volume grows, with a simple switch of the APEX 30 front panel you can convert the APEX 30 to produce all large format premium products – 8x10 in. and 8x12 in. formats.

*In just minutes, simply change out the front panel to customize your product offering.*

Up to two KODAK 7000 Series Photo Printers plus one KODAK 8000 Series Photo Printer

Up to two KODAK 8000 Series Photo Printers
